Thanks for checking. We are early birds and will cope. (I'll mute my phone so that if I face-plant onto my desk it won't disrupt things.) Are you still able to be on? I checked with Rick and he's going to make it.

Looks like the meeting with Janet got moved to 9:15 eastern time. Is the Region participating? That's pretty early out there.

Thanks, everyone for the call this afternoon. Rick, as we discussed I've attached a document Ex. 5 - Attorney Client I've broken the paragraph structure up some so as to attach responses to the specific comments they're associated with. I've also included some excerpts from the national FIP that seemed pertinent.

The full interagency comment document is available on Sharepoint [here](#).
